## **Notice of the third Annual General Meeting of Polar Capital Global Healthcare Growth and Income Trust plc (the "Company")**

### **Dear Shareholder**

I have pleasure in inviting you to the Company's forthcoming Annual General Meeting ("AGM") which is being held at 12 noon on Tuesday 28 January 2014 at The Methodist Central Hall, Storey's Gate, London SW1H 9NH. Enclosed with this letter are your formal notice of AGM ("Notice of AGM") set out on pages 5 to 6 of this document and a proxy card.

The AGM provides an opportunity for your Directors to meet with you, provide a presentation from the investment managers and answer your questions. We encourage you to attend.

If you are an ordinary shareholder and would like to vote on the resolutions but cannot come to the AGM, you can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM by using one of the methods set out in the notes to the Notice of AGM.

If you are a subscription shareholder this Notice of AGM is being sent to you for information purposes only since you are not entitled to attend or vote at the AGM.

The purpose of this letter is to explain the business to be considered at the AGM.

### **Resolution 1 – To receive the Annual Report and Financial Statements**

The Annual Report and Financial Statements for the year ended 30 September 2013 will be presented to the AGM. The Annual Report accompanied this Notice of AGM or is available from the Company's website. Ordinary shareholders will be given an opportunity at the meeting to ask questions.

### **Resolutions 2 and 3 – Directors' Remuneration Report (pages 32 to 34 of the Annual Report)**

For some years now, it has been mandatory for listed companies to put their Report on Directors' Remuneration to an advisory vote by shareholders. However, there have been a number of changes to the requirements relating to the approval of the Report on Directors' Remuneration which come into effect for the first time at this Annual General Meeting. Companies are now required to present to shareholders both a forward looking policy on directors' pay ("the Policy Report") which can be in place for a maximum of three years, and a report which looks back on the remuneration for the year under review ("the Implementation Report"). The vote by shareholders on the Policy Report is a binding vote, with the vote on the Implementation Report continuing to be on an advisory basis. Both resolutions will be proposed as ordinary resolutions.

All future payments made to Directors must be within the policy approved by shareholders, otherwise Directors may be required to reimburse the Company with any excess.

**Resolution 2** seeks approval, on a binding basis, of the remuneration Policy Report of the Company for the next three years. The Policy Report, if approved, will commence from the date of the meeting and last until 30 September 2017 unless renewed prior to this date. In the event that the Company wishes to make any changes to the approved policy prior to 30 September 2017, shareholder approval must be sought before any such changes are made.

**Resolution 3** seeks approval, on an advisory basis, for the remuneration Implementation Report, which looks back at the remuneration of the Directors for the year ended 30 September 2013.

## **Resolutions 4 and 5 – Re-appointment of auditors and auditors’ remuneration**

**Resolution 4** relates to the re-appointment of PricewaterhouseCoopers LLP as the Company’s independent auditors to hold office until the next Annual General Meeting of the Company and **Resolution 5** authorises the Directors to determine their remuneration.

## **Resolution 6 – Allotment of shares**

**Resolution 6** deals with the Directors’ authority to allot shares. At last year’s Annual General Meeting, the Directors were given authority to allot ordinary shares in the capital of the Company up to a maximum nominal amount of £2,447,499 representing approximately 10% of the Company’s issued ordinary share capital.

**Resolution 6** will, if passed, renew the authority to allot given to the Directors on broadly the same terms in respect of a further 10,485,000 ordinary shares with a nominal amount of £2,621,250 representing approximately 10% of the Company’s issued ordinary share capital on 13 December 2013. The power will last until the end of the next AGM of the Company.

## **Resolution 7 – Disapplication of statutory pre-emption rights**

**Resolution 7** will give the Directors power to allot ordinary shares pursuant to the authority granted under **Resolution 6** above for cash without, in certain circumstances, being required to comply with the pre-emption rights in the Companies Act 2006. In particular, this power will permit the Directors to allot ordinary shares up to a maximum nominal value of £2,621,250 representing approximately 10% of the issued ordinary share capital of the Company as at 13 December 2013 for cash otherwise than in connection with an offer to existing shareholders. The authority conferred by **Resolution 7** will expire upon the expiry of the general authority conferred in **Resolution 6**. As with **Resolution 6**, the terms of **Resolution 7** are broadly the same as the existing authority.

The Directors’ policy on the issue of new ordinary shares is for the net issue price (after an allocation of costs) to be above the fully diluted Net Asset Value (“NAV”) per share. The Directors consider that renewing the Company’s share allotment authority to a limited extent and disapplying pre-emption rights in respect of such allotment is advantageous for shareholders on the basis that (a) any ordinary shares issued for cash will be at a price that will be in excess of NAV and should therefore enhance NAV for existing shareholders (over the longer term); (b) a larger capital base should result in lower ongoing charges for the Company because of the fixed element of cost; and (c) the increased number of ordinary shares should improve their liquidity. The Directors further believe that having the ability to ensure a ready supply of ordinary shares to the market should assist in avoiding the creation of an excessive and unsustainable premium over NAV, which could increase the risks for new investors.

## **Resolutions 8 and 9 – Authority to make market purchases of Ordinary and Subscription Shares**

**Resolutions 8 and 9** renew the authority granted to the Company to buy back its own ordinary shares and subscription shares in the market as permitted by the Companies Act 2006.

The Company was given authorities to make market purchases of up to 14.99% of the Company’s ordinary share capital and up to 14.99% of the Company’s subscription share capital at last year’s AGM. Your Board wishes to renew these authorities so that the Company will retain the flexibility to make market purchases of its own shares where your Board considers it desirable to do so.

If **Resolutions 8 and 9** are passed, it is the Company’s current intention to cancel or hold in treasury all of the ordinary shares and cancel subscription shares it may purchase pursuant to the authorities contained therein.

The Company has not bought back any ordinary shares or subscription shares in the period from 30 September 2012 up and including to 13 December 2013.

The Directors believe that to make such purchases of ordinary shares and subscription shares in the market at appropriate times and prices is a suitable method of enhancing shareholder value. Where the purchases of ordinary shares are made at prices below the prevailing fully diluted NAV per share, this will enhance the fully diluted net asset value for the remaining shareholders. The Board therefore intends that purchases of ordinary shares would only be made at prices below the fully diluted NAV. In making purchases of subscription shares, the Company will have regard to the intrinsic benefit to ordinary shareholders and there should be no expectation that purchases of subscription shares will be made pro rata to purchases of ordinary shares.

The Company would, within guidelines set from time to time by the Board, make either a single purchase or a series of purchases, when market conditions are suitable, with the aim of maximizing the benefits to shareholders. The Board considers that it will be most advantageous to shareholders for the Company to be able to make such purchases as and when it considers market conditions to be favourable and therefore does not propose to set a timetable for making any such purchases.

## **Resolutions 8 and 9 – Authority to make market purchases of Ordinary and Subscription Shares** continued

**Resolution 8** provides that the number of ordinary shares that could be purchased does not exceed a maximum of 15,717,000 (representing approximately 14.99% of the Company's issued ordinary share capital as at 13 December 2013). The resolution also sets the maximum price that may be paid by the Company at the higher of 105% of the average middle-market quotation for an ordinary share on the 5 business days immediately preceding the date of the relevant purchase or the higher of the last independent trade and the highest independent bid. The minimum price to be paid will be 25p per ordinary share (being the nominal value per share).

**Resolution 9** provides that the number of subscription shares that could be purchased does not exceed a maximum of 2,668,220 (representing approximately 14.99% of the Company's issued subscription share capital as at 13 December 2013). The resolution also sets the maximum price that may be paid by the Company at the higher of 105% of the average middle-market quotation for a subscription share on the 5 business days immediately preceding the date of the relevant purchase or the higher of the last independent trade and the highest independent bid. The minimum price to be paid will be 1p per subscription share (being the nominal value per share).

The authorities granted under **Resolutions 8 and 9** will last until the end of the next Annual General Meeting of the Company or until the whole of the 14.99% has been utilised in each case, whichever is the earlier.

### **Recommendation**

The formal Notice of the AGM is set out at the end of this document.

Your Board believes that the passing of the Resolutions should help to promote the success of the Company and are in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of the resolutions as they intend to do in respect of their own beneficial holdings which amount in aggregate to 101,733 shares representing approximately 0.10% of the existing issued ordinary share capital of the Company.

**If you are an ordinary shareholder and would like to vote on the resolutions but cannot come to the AGM, you can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM by using one of the methods set out in the notes to the notice of AGM. You are therefore urged to return the enclosed form of proxy without delay.**

Yours sincerely

**James Robinson**  
Chairman

## Notes to the Notice of Annual General Meeting

1. Only those ordinary shareholders registered in the register of members of the Company at 6.00pm on 24 January 2014 (or, if the Annual General Meeting (the "Meeting") is adjourned, at 12 noon on the day which is two working days prior to any adjourned Meeting) shall be entitled to attend and vote at the Meeting in respect of the number of shares registered in their name at that time. Changes to entries on the relevant register of securities after 6.00pm on 24 January 2014 will be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the Meeting or any adjourned Meeting.
2. An ordinary shareholder entitled to attend and vote at the Meeting may appoint one or more proxies (who need not be a member of the Company) to exercise all or any of his or her rights to attend, speak and vote at the Meeting. An ordinary shareholder can appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attaching to different shares held by the ordinary shareholder. If two or more valid proxy forms are delivered or received in respect of the same share for use at the same Meeting, the one which was last sent shall be treated as replacing and revoking the others in their entirety. If the Company is unable to determine the one which was last sent, the one which is last received shall be so treated. If the Company is unable to determine either which is last sent or which is last received, none of them shall be treated as valid in respect of that share. Every ordinary shareholder who is present in person at a general meeting of the Company, and every person (not being himself or herself a member entitled to vote) who is present as proxy for a member entitled to vote, shall have one vote on a show of hands. On a poll, every ordinary shareholder who is present in person or by proxy shall have one vote for every share held by him or her.
3. A proxy does not need to be a member of the Company but must attend the Meeting to represent you. Your proxy could be the Chairman, another Director of the Company or another person who has agreed to attend to represent you. Your proxy will vote as you instruct and must attend the meeting for your vote to be counted. Details of how to appoint the Chairman or another person as your proxy using the proxy form are set out in the notes to the proxy form. Appointing a proxy does not preclude you from attending the Meeting and voting in person.
4. A form of proxy is enclosed. To be valid the form of proxy must be completed and delivered (together with any authority under which it is executed or a copy of the authority certified notarially or in some other way approved by the Directors) to the office of the Registrar to the Company not less than 48 hours before the time appointed for holding the Meeting (excluding non-working days). The form of proxy should be returned to Equiniti Limited at the address given on the proxy form.

The return of the form of proxy duly completed will not preclude a member from attending and voting in person at the Meeting. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual which can be viewed at [www.euroclear.co.uk](http://www.euroclear.co.uk). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID number RA19) by not later than 48 hours before the time appointed for the holding of the meeting (excluding non-working days i.e. by 24 January 2014). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

5. The attendance at the Meeting of members and their proxies and representatives is understood by the Company to confirm their agreement to receive any communications made at the Meeting.
6. To change your proxy instructions you may return a new proxy appointment using the methods set out above. Where you have appointed a proxy using the hard copy proxy form and would like to change the instructions using another hard copy proxy form, please contact Equiniti Limited Aspect House Spencer Road Lancing West Sussex BN99 6DA. The deadline for receipt of proxy appointments (see above) also applies in relation to amended instructions. Where two or more valid separate appointments of proxy are received in respect of the same share in respect of the same meeting, the one which is last sent shall be treated as replacing and revoking the other or others.

7. As at 13 December 2013 (being the latest business day prior to the publication of this Notice), the Company's issued share capital consists of 104,850,000 ordinary shares of 25p each and 17,800,000 subscription shares of 1p each. The subscription shares carry no voting rights except on matters pertaining to the subscription share rights. The Company does not hold any ordinary shares in treasury. Therefore the total voting rights in the Company are 104,850,000.
8. A copy of this notice has been sent for information only to persons who have been nominated by a member to enjoy information rights under section 146 of the Companies Act 2006 (a "Nominated Person"). The rights to appoint a proxy cannot be exercised by a Nominated Person: they can only be exercised by the member. However, a Nominated Person may have a right under an agreement between him and the member by whom he was nominated to be appointed as a proxy for the Meeting or to have someone else so appointed. If a Nominated Person does not have such a right or does not wish to exercise it, he may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.
9. A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the AGM. In accordance with the provisions of the Companies Act 2006, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same shares. It is no longer necessary to nominate a designated corporate representative.
10. Pursuant to section 319A of the Companies Act 2006, the Company must cause to be answered at the Meeting any question relating to the business being dealt with at the Meeting which is put by a member attending the meeting, except in certain circumstances, including if it is undesirable in the interests of the Company or the good order of the meeting that the question be answered or if to do so would involve the disclosure of confidential information.
11. Members satisfying the thresholds in section 527 of the Companies Act 2006 can require the Company to publish a statement on its website setting out any matter relating to: (a) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Meeting; or (b) any circumstance connected with an auditor of the Company ceasing to hold office since the last Annual General Meeting, that the members propose to raise at the Meeting. The Company cannot require the members requesting the publication to pay its expenses. Any statement placed on the website must also be sent to the Company's auditors no later than the time it makes its statement available on the website. The business which may be dealt with at the meeting includes any statement that the Company has been required to publish on its website.
12. In accordance with section 311A of the Companies Act 2006, the contents of this notice of meeting, details of the total number of shares in respect of which members are entitled to exercise voting rights at the AGM and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice will be available on the Company's website:  
<http://www.polarcapitalhealthcaretrust.com>
13. The terms of appointment of the Directors are available for inspection at the registered office of the Company during usual business hours (Saturdays, Sundays and public holidays excepted) and will be available at the place of the Meeting from 10.30am until its conclusion.
14. You may not use any electronic address provided either in this Notice of Annual General Meeting or any related documents (including the form of proxy) to communicate with the Company for any purposes other than those expressly stated.
15. Please note that the Company takes all reasonable precautions to ensure no viruses are present in any electronic communication it sends out but the Company cannot accept responsibility for loss or damage arising from the opening or use of any email or attachments from the Company and recommend that the Shareholders subject all messages to virus checking procedures prior to use. Any electronic communication received by the Company, including the lodgement of an electronic proxy form, that is found to contain any virus will not be accepted.
